Design Ludovica Serafini + Roberto Palomba

Un progetto che pone al centro estetica ed artigianalità. L'incontro tra culture diverse e l'amore per l' Africa hanno permesso allo studio Palomba Serafini di dar vita ad una collezione unica in cui si è voluto trasportare la forza e la bellezza di questa terra, dagli intrecciati degli anelli che diventano braccioli e dagli innumerevoli fili di tessuto che sorreggono gli schienali. Le sue linee curve conferiscono l'aspetto di un trono e le forme avvolgenti donano all'imbottito l'aspetto di un rifugio, di un bozzolo protettivo.

A project which focuses on aesthetics and craftsmanship. The meeting of different cultures and the love for Africa have allowed the Palomba Serafini studio to create a unique collection in which have been conveyed the strength and the beauty of this land. This inspiration got translated into intertwined rings that become armrests and the countless threads of fabric that support the backrests. Its curved lines give the upholstery the appearance of a throne and its enveloping shapes give it the appearance of a refuge, of a protective cocoon.
